**St. Barthelemy -** Known as the Riviera of the Caribbean, with rugged cliff shores, charming village port, and gorgeous beaches, St. Barts has become one of the most chic vacation destinations in the Caribbean. Its alluring French atmosphere and posh social scene are captivating for those who stroll the marina village of Gustavia. Enjoy the gorgeous beach of Anse de Colombier, and explore the outlaying islands of Ile Fourche.

**Sint Eustatius**—This tiny island lies 30 miles south of St. Martin/St. Maarten. The island has approximately 2000 residents with very little development. Being a volcanic island is and offers fantastic hiking. And there is a wealth of history to explore in the capital town of Oranjestaad
